Shri H. L. Bhartia was voted to the Chair.

Shri Bhartia welcomed all the members of the School Level Fee Committee.

He informed that due to increase in cost substantially and at the same time maintaining the high standard of the School, it is imperative that the School Fees is increased proportionately. His demand was that 10% increase in School Fees should be hiked for the coming academic session. It is very well understood that the monthly expenses of the School are met from the receipts of the School Fees & Bus Charges.

He further informed all present that the School is well equipped and the infra structure are excellent. No other school in the area is having such facilities being provided to the students. Some of them are mentioned below:

1. High standard Lab facilities for Chemistry, Physics & Biology
2. Well-equipped Hi-Tech Computer Lab with IT facilities.
3. Library with plentiful books on different subjects.
4. Smart Classes
5. CCTV covering the entire School premises
6. 24 hours power supply with standby 50 KV Generator
7. Various outdoor Sports activities such as – Cricket, Badminton, Volley Ball, Kho-Kho, Football, Kabadi etc
8. Many indoor games such as Table Tennis, Carrum, Chess, Judo & Karate.
9. Music and Dance, Art & Craft are taught by trained teachers.
10. R.O. Water with cooling facility.
11. Trained Security Guards
12. A fleet of School bus for safe journey.

Members of Parent side were of the view that no fee will be increased this time because in the last session 10% fee has been already increased. While the Management side was of the view that due to raising cost and increase in salary of staff every year atleast 10% of fees should be increased.

Finally it was agreed that no school fees will be increased this Year 20203.

With a vote of thanks to Members, the meeting was adjourned.
